Dear Lance and Doug

Resource Management Law Association Conference 2011

On behalf of the Conference Organising Committee, please accept my sincere thanks for your role in facilitating the field trip to the Maungatautari Ecological Island as part of the recent RMLA Conference in Hamilton.

The field trip was an outstanding success with excellent feedback from those who attended. This field trip was identified as being both extremely relevant and having excellent content.

In particular, our thanks go to Lance and Mary for guiding the trip and for providing delicious refreshments afterwards.

Thanks also to Doug for your helpful commentary on the bus. The commentaries from Doug, Lance and the volunteers at the feeding stations were specifically noted in the feedback surveys as contributing to the enjoyment of those who attended.

Many thanks once again.

Yours sincerely

Joan Forret
Conference Convenor
